

Walk Anywhere Guide

The 2026 Walk will unite Canadians across the country on May 31 — or anywhere, anytime that works for you. We hope to see people from all parts of the country join the movement to fight global poverty. You can participate anywhere you choose and self-organize your walk with your team, family, friends, colleagues, or individually.

Thank you for taking the initiative to organize a Walk Anywhere event in support of the World Partnership Walk, Canada's largest public movement fighting global poverty. This is an opportunity to empower your community, raise awareness, and foster collaboration. You will be joining countless people across the country who are dedicated to making a lasting impact on the lives of marginalized vulnerable communities around the world.

The Fine Print

To keep things fair, safe, and aligned with our charitable responsibilities, there are a few things AKFC is not able to provide for independently organized events:

- Funding or reimbursement for event expenses
- Charitable tax receipts
- Mail or email lists (including donor lists or AKFC staff lists)
- Event recruitment or promotion in print or paid advertising
- Guaranteed attendance by AKFC staff or Senior Volunteers
- Assistance with ticket sales or corporate sponsorships
- Applications for venue permits or licenses
- Prizes, auction items, or in-kind donations
- Signed contracts, agreements, or insurance coverage
